Please identify the desired action of Council that you are seeking on this issue:

To consider a motion to reopen the Gypsy Moth Program 2019 Funding strategy to evaluate previous unconsidered options or options not available at time of staff funding report.

I have never spoken on this issue before. Key points of my deputation are as follows:

(Written presentation must accompany the request)

It is important for Council to be fiscally responsible with taxpayers money while remaining transparent and acting clearly within the law.

It is in the best interest of the Town and its citizens to consider alternate funding options not considered in the staff report to Council to pay for this program

Options may include finding surplus by creating overlap in the 2019 Capital Budget, evaluating capital cost savings of the spray through reduction of dead tree removal in the 2020 capital budget, evaluating newly awarded 2020 grants as a means to reallocate known 2020 capital budget requests, etc

Ideally, a program that is initiated by the Town should be funded by the Town and a funding strategy should be developed in advance of action. Subsidization at the very least should be considered through these suggested and all means,

In accordance with the Procedure By-law, Requests to Appear before Council with respect to a matter already on Council's Agenda shall submit a written request to the Clerk no later than 12:00 noon, eight business days prior to the meeting of Council. Delegation requests to address Council on matters not already on the Agenda of Council must be submitted at least fourteen (14) days before the date and time of the Meeting of Council. Delegations shall only be heard at regular Meetings of Council, unless specifically invited by Council to a Meeting of a Committee of Council.

All requests must include a copy of the presentation materials as detailed in the deputation protocol. Failure to provide the required information on time will result in a deferral or denial. Delegations are limited to ten (10) minutes.
