

Dear Mrs. Bozzato,

Thank you so much for the
generous Town of Pelham Scholarship.

I will be attending Brock next year
for a bachelor of science in
kinesiology. I will also be participating
in the Med Plus Program. The
financial assistance you have
provided will greatly help me to pay
for expenses that arise as I
continue my education!

Thank you so much for your generosity!

With sincere gratitude
and appreciation.

Sincerely,
Emily Bonisteel
