WHEREAS COVID-19 continues to be present within the town, and is a disease that is readily communicable from person to person, even with minimal or no signs of symptoms or illness, and carrying a risk of serious complications such as pneumonia or respiratory failure, and may result in death; and

WHEREAS there is a growing body of evidence on the effectiveness of masks and face coverings to act as a barrier to prevent the spread of

THEREFORE BE IT RESOLVED that Council for the Town of Pelham consider the enactment of a temporary by-law requiring individuals or organizations that are responsible for the operation of a facility or businesses which have enclosed spaces open to the public to ensure no member of the public is permitted entry unless wearing a mask or face covering to help limit the spread of COVID-19; and

BE IT FURTHER RESOLVED that the by-law provide that masks or face coverings must be worn, unless it is reasonably required to temporarily remove the covering for services provided by the establishment or while actively engaging in an athletic or fitness activity during physical activity, and exemptions may be accommodated if:
