Committee of Adjustment

Application A6/2020P

257 Chantler Rd

Dear Committee of Adjustment:

We would like to inform you of our total support for this application. As next door neighbours of the Trotter family who purchased our family's former homestead, we have nothing but praise for the numerous upgrades to the property, their tremendous respect for the environment, and their future vision of this property.

Having served some twenty years on the Committee of Adjustment and knowing the criteria to be considered, I feel very comfortable in supporting this application and believe it to be a benefit to the neighbourhood and our municipality.

Sincerely:

 Betty Ann Di Martile
