Attn: Holly Willford, Deputy Clerk

Dear Council;

I am writing to you on behalf of the Royal Canadian Legion, Branch 613 of Fonthill, to request a letter of support for our organization. We are in the process of applying for funding under the New Horizons for Seniors Program and a requirement of the funding is to include a letter of support from our community officials.

Our project is to renovate our washrooms in the building utilized by our members, guests and the banquet hall. Our aging facility is in desperate need of repair and accessibility upgrades. As you know we are a non-profit organization and our only funding is derived through the efforts of our volunteers, many of whom are seniors themselves. Without this grant opportunity these repairs are not possible.

It is the Legion's mission to serve veterans, which includes serving military, RCMP members and their families, to promote remembrance and to serve our communities and our country. Our Branch takes pride in its endeavor to provide healthy, wholesome meals, conduct business meetings, information sessions, educational programs, entertainment and recreational activities for various groups in the community, with a focus on our veterans and seniors. We provide a facility for the betterment of the Pelham community and surrounding areas with a place where veterans, seniors, youth and the general public can come for assistance, education, health and welfare and comradeship on a regular basis. Accordingly we need to maintain a safe, healthy environment that encourages participation in the many events that are offered to enhance the wellbeing of our community and to give seniors a sense of belonging in the community. This is especially important, now in the midst of a pandemic.

Your consideration of our request is appreciated. The letter is needed by October 16, 2020. Should you have any questions or concerns please do not hesitate to contact me.

Sincerely,

Sharon Smith, Volunteer,
RCL, Br. 613, Fonthill
