Date: Thursday, March 25, 2021 5:08:51 PM

Good afternoon Sarah,

I apologize for the delayed response:

A18/2021P – 879 Foss Road

NPCA staff are in agreement that because the proposed expansion is directed away from the regulated watercourse, there will be no negative impacts. The NPCA have no objections.

B11/2021P – 1419 Station Street

The NPCA have no regulated features at this site.

B12/2021P – 87 Port Robinson Road

B13/2021P – 89 Port Robinson Road

B14/2021P – 91 Port Robinson Road

While NPCA mapping indicates the subject parcels contain an NPCA regulated watercourse, given the low hydrological and ecological function of the watercourse, NPCA staff have no objections to the proposed application.
