**North Side of Tanner Drive, East of Pelham Street, West of Line Avenue
(Tanner Extension)**

Good afternoon,

I am hoping that I can submit an email for my thoughts, albeit it a bit past the deadline. I have a new job and won't make it home in time for this meeting next Monday evening.

I live behind the proposed development, Tanner Extension on Willson Crossing Court. I would be opposed to a two storey home as it would compromise my families privacy. There are no trees to give us a buffer.

The homes in our subdivision are bungalows and townhomes (across the street) , The aesthetics of the neighbourhood would be ruined, in my opinion.

I would be looking to move if they are townhomes sadly.

Yours truly,

Leah Ugulini

Would like bungalow dwellings to be constructed backing onto the dwellings on Wilson Crossing. Would also like to see nice building designs and layouts in the subdivision.
